

I WONDER WHAT YOUR
FAVOURITE PART OF
THE STORY IS

Wow that was a big story.

I wonder what your favourite part of the story is.

Maybe you might like to recreate your favourite part with your family or on your own. You might like to act it out, draw a picture, use the modelling clay, play with the mini figures or find a different way.

Adults: Work with your children on this one. You might like to read the Bible passage together (they are quite wordy and not in any children's Bibles) or it might be possible for you to watch the video again. Let the children led the way on this one. Don't forget to ask lots of open ended questions. For example 'I wonder what your favourite part of the story was?'
